

Life Network's Mission

**TO CULTIVATE A COMMUNITY THAT VALUES
LIFE THROUGH THE LOVE OF CHRIST**

OUR MINISTRY APPROACH IS TO PROVIDE:

Prevention

We educate local students on healthy relationships and mental health using presentations in public and private high schools. One of the key lessons students learn is that they are needed, loved and valued.

Intervention

We provide free pregnancy tests, ultrasounds as well as free STD testing and community connections so that families know they will be supported in their time of need.

Transformation

We offer parenting coaching, professional counseling, and material resources through our parenting education program – and hope and healing through our post-abortion Bible study.

IN THE LAST YEAR:

583
babies
saved

3,128 patients served through our pregnancy centers
2,461 parenting appointments with moms and dads
1,308 potentially life-saving ultrasounds administered
103 decisions for Christ
31 schools reached last year

YOU CAN BRING HOPE TO STRUGGLING FAMILIES IN COLORADO SPRINGS

“I wasn’t sure where to start when I found out I was pregnant. The pregnancy center was there for me the next morning. It’s where I had my sonogram, and the volunteers are incredibly kind.”

- Maria*

“The Motherhood program is helping me in many ways. I could not do this without help from good people like you, and I learned about Jesus. I will always be thankful for you.”

- Annalise*
