Life NETWORK
Family Thrift Store

Give up a Saturday morning. Save lives.

The Falcon Thrift Store is overflowing with donated goods from our community.

We urgently need volunteers to help sort and process them.

When you volunteer, you ***double the impact:***

Every hour saves us staffing costs AND moves more donated goods onto the sales floor, with 100% of proceeds funding free pregnancy support, parenting classes, and teen suicide prevention for local families.

We're looking for small groups, Sunday school classes, and youth groups to commit to just one 2-hour slot for 4 weeks – as well as individuals who might consider volunteering on an ongoing basis at a time that fits your schedule.

Available time options for groups:

- Mondays, 10am—2pm or 12—4pm
- Thursdays, 10am—2pm or 12—4pm
- Fridays, 10am—2pm or 12—4pm
- Saturdays, anytime
